Conclusion of Less than Marketable Parcel Share Sale Facility **ASX: SW1**

Swift Networks Group Limited (**Swift** or **Company**) (ASX: **SW1**) is pleased to announce that the sale of Swift shares under the Company's less than marketable parcel share sale facility announced on 3 April 2017 (**Facility**) has been completed, at a sale price of \$0.23 per share.

A total of 469 shareholders collectively holding 70,642 wift shares participated in the Facility.

Shareholders who participated in the Facility, and have provided their bank details to the Company, will receive the proceeds from the sale (\$0.23 per share sold) shortly by way of bank transfer.

Immediately prior to the conclusion of the Facility the Company had 1,034 shareholders. Following the settlement of the share sales under the Facility, the Company now has 565, a reduction of 45%.

The reduction in the number of shareholders in the Company will significantly reduce the Company's administrative costs associated with maintaining the share register including printing and mailing costs for items such as general meeting notices.

For further information, please contact the Company on +61 (0)8 6103 7595.

Stephen Hewitt-Dutton
Company Secretary

About Swift Networks Group Limited

Swift Networks Group Limited (ASX: SW1) is a diversified telecommunications and content solutions provider, entertaining guests and connecting them to the world.

Swift's connectivity and content delivery platform empowers guests to watch, play, connect and interact. Swift brings accommodation providers opportunities to generate additional revenue and offers meaningful data insights to retain existing and drive new business.

Swift sources premium multi-lingual content from around the world and curates, packages and distributes it to clients' guests through its cloud-based platform. The company's services include free-to-air television, pay television, telecommunications, Internet, data, wireless networks and streaming video on demand with content from some of Hollywood's largest studios.

Running in more than 140 sites across the mining, oil, gas, aged care, retirement village and hospitality sectors, Swift's fully integrated platform is deployed in some of the world's harshest regions, where reliability, flexibility and scalability are critical success factors.
