

THE MY FAMILY MY COMMUNITY APP IS NOW SWIFT CARE

swift care

IT'S MORE THAN A NAME CHANGE

- It's now easier to connect to a resident's TV.
- A brand new space to view everything from both loved ones and staff.
- A dedicated space for updates provided by staff.
- Easier to view all the content you've sent to your loved one's TV.
- It's simple. Yet, it makes a big difference.
