

How to navigate the Dashboard in Swift Manage.

Scan the QR code for more user guides.

swift

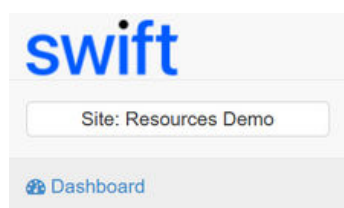

The Dashboard in Manage.

The Dashboard in Manage provides a snapshot of Swift usage and quick access to complete your daily tasks. The Dashboard view you see in Swift Manage is based on your user role permissions and Swift subscription.

Step 1. Login

Log in to Swift Manage: <https://manage.swiftnetworks.tv/login>

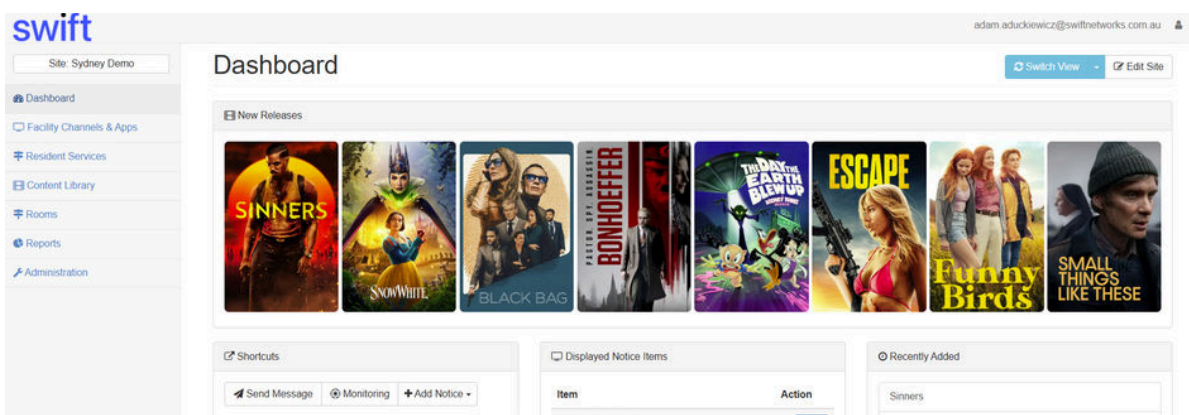

Step 2. Navigation

Use the left-hand side navigation panel to return to the Dashboard when accessing other areas of Manage.

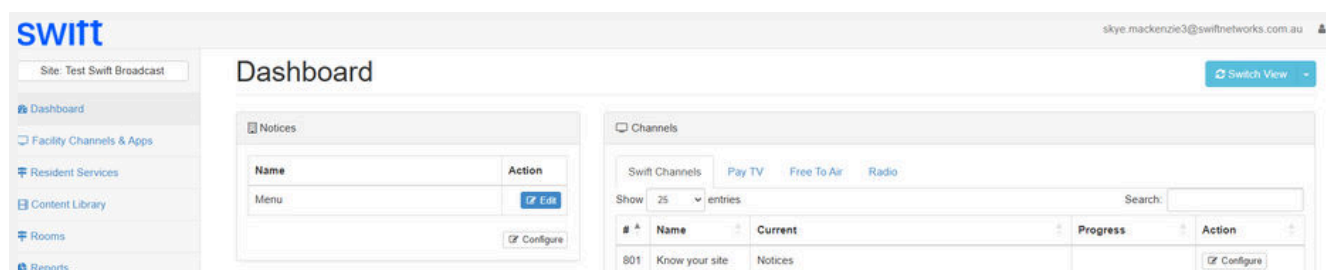

Step 3. Dashboards

Swift Access Dashboard

The Swift Access Dashboard displays shortcuts to notices, messages and monitoring of rooms, along with the details of recently added movies.

Swift Broadcast Dashboard

The Swift Broadcast Dashboard displays the TV and radio channel schedule and configuration. Scheduled content can also be edited from here including Notices, Menu, and the TV Guide.
